About Us

o o o o

**Everything's
better when
we're together.**

Ladies Like To Lunch is a not-for-profit organisation who supports women affected by cancer in South West Sydney communities.

We have big dreams, hopes and great expectations to empower cancer patients and their caregivers to build support in our community for families and friends, to connect, inspire and heal together as one circle.

Mission

Our vision is to inspire, connect and inform our community to fight together. We raise funds and awareness for the women affected by cancer in South West Sydney communities.

We host Pink Ribbon events annually in October to raise funds for Liverpool Cancer Therapy Centre | Wellness Centre. The funds raised go to Wellness Programs which will provide cancer patients & their carers with support, education and therapy to assist mind, body & soul.

- ACUPUNCTURE
- ART WORKSHOPS
- GARDENING WORKSHOPS
- ONCOLOGY MASSAGE
- MEDITATION
- SUPPORT GROUPS
- WIG SERVICE
- YOGA

Programs are designed to offer guidance and practical lifestyle support options, information, education and access to the following counselling and clinic services.

We also create Care Packages which are hand delivered to women with a cancer diagnosis. Our Care Packages have been thoughtfully put together to aid our warriors through their cancer journey, recover and treatments.

Each product has been carefully selected to provide relief with side effects and give comfort to uplift the body and spirit.

Ladies Like To Lunch

Organisation & Management

In 2022, Grace Newcombe, Antoinette Sulfaro and Lorenzo Sulfaro envisaged an not-for-profit organisation that would positively influence the way women with cancer are supported by the local community.

Our goal is for people to talk openly about cancer and acknowledge its enormous personal impact with a community who can stand together as one during a cancer diagnosis.

Ladies Like To Lunch Limited continues to work towards helping people affected by cancer accessing the best information, treatment, care, funding and support.

Our Care Packages now go directly to Liverpool Cancer Therapy Centre reaching more women than ever before.

Why Choose Us?

The Benefits

Ladies Like To Lunch is devoted to supporting our warriors and benefits our local community as funds raised stay in our community. Our Pink Ribbon Events are a celebration for our warriors as we come together as one. It also gives women affected by cancer an opportunity to connect with other warriors, offering support and new connections.

We love working with local businesses in the Fairfield, Liverpool and Camden LGAs.

We often find the same businesses continue to support our charity as we are all affected by cancer in some way.

GUESTS REACTIONS

"It was a fantastic day"-
Maika

"It was such a great day,
thank you"- Tania

"Great day ladies"- Jayda

"Love you ladies, keep up
the great work" - Murielle

At Ladies Like To Lunch, we are dedicated to our community. Through cooperation, collaborations, and community empowerment we believe we can facilitate what we do.

We are always striving to make a difference and invite you to learn more and lend your support.

**Believe in the
magic of the
community.**

Fundraising Goals

Pink Ribbon Events

Last year's Pink Ribbon Event held at Novella On The Park in May 2022, raised over \$35,000 for women's cancers in NSW.

We also donated our first 20 Care Packages to Liverpool Cancer Therapy Centre.

Since then, we have built a strong relationship with the Wellness Centre and raised even further funds with our first Breakfast Event in October 2022, raising just under \$6000.

Care Package Program

Our Care Packages have become very popular within the community since being introduced in 2019.

The Business community as well as individuals often donate Care Packages back to the community, therefore we are able to provide more Care Packages to women during a cancer diagnosis at no charge to a cancer patient.
